

# GREAT NEWS!!!

## ATTENTION PLAYERS, PARENTS, AND FANS

As of September 21, 2007, The Paterson Mustangs Football & Cheerleading Programs will both have online stores where you can purchase “Mustangs” apparel. You must first go to the official Mustangs website, [www.mustangspride1.com](http://www.mustangspride1.com), to view the online store. Once at the site, click on the link at the top of the page that says “Mustangs Merchandise”. On this page you will see one picture for each store, just click on the picture to enter the online store. As we expand our Organization into other sports we will be adding stores for them as well.

The online store is a supplement to the “Spirit Wear” concession stand that will be operational at all our home games and most of the practices (weather permitting).

The Mustangs staff is very excited about this new opportunity we are extending to our families and loyal fans. Please take a moment and browse the online store; you may find something you like.

Thank you
